**2016 - MY YEAR OF DIVINE INTERVENTION - Deut. 33:26**

What do you do when you are at a loss and every step of recovery fails, yet encompassed by battles? When skill and connecting with friends and helpers prove insufficient? Yet we are in the world that has no sympathy for losers, no apathy for the defeated and insensitive to people's need. It's hard to know how many people have become insecure and uncertain about the future because of the unpleasant past. Lamentably, the past makes mockery of the future. It becomes a big struggle to escape the failure of the past. Hurts and woundedness if not healed, create regrettable past. The past, if unconquered, can cause wounded self image, low self esteem and weakened inner strength. It is time to break free from the cycle of rejection, betrayal and condemnation that have caused you traumatic impact. You can arise from your unawesome past and embrace a more fulfilling future. The good news is "Jesus Christ is the same yesterday, today, and forever" (Heb. 13:8).

Resurrected Jesus remains continually unchanging and unailing. He can heal your past, blessed your present and prosper your future. He is able to deliver your past from affliction, transform your present and give you a better tomorrow. His blood can cure the wounds of your past, reverse evil experiences and rescue you from the fears of tomorrow. He can ransom your tormenting past, open your heart to love again and make your future honorable. Don't be trapped by the battle of the past and the fears of tomorrow; it is an ambushment to your soul. "And when Judah looked around, to their surprise the battle line was at both front and rear; and they cried out to the LORD, and the priests sounded the trumpets" (2 Chr. 13:14).

***Don't be trapped by the battle of the past and the fears of tomorrow; it is an ambushment to your soul.***

The people of Judah were attacked from both front and rear. What do you do when you're confronted with battles before (future) and behind (past)? How you react to the conflicting situations around you will determine your way of escape. The people of Judah "cried

unto the Lord". It is unfortunate that many people today will murmur, complain and in bitterness, mock God. This wrong approach will only make the matter worse. Crying unto God with unshaken trust brings deliverance. "Then they cried out to the LORD in their

trouble, And He saved them out of their distresses" (Psa. 107:13).

Squalus was a US Sargo-Class submarine known for her tour of duty in the Pacific war during World War II. Launched on September 14th, 1938 and commissioned on March 1st, 1939. Due to mechanical failure, Squalus sank during a test drive on May 23rd, 1939. On her first mission, her maiden voyage, she went 240ft to the bottom of the ocean and smashed. Twenty six people were killed and thirty-six others survived. Squalus test drove in water shallower than her crush depth. She was recovered, repaired, reconditioned, overhauled and re-commissioned on May 15th, 1940, after which she was renamed Sailfish on February 9th, 1940. Sailors generally consider re-naming a ship to be bad luck. "In an ironic turn of fate, Sailfish sank the Japanese aircraft Chuyo". Made twelve patrols, sank seven Japanese ships. Brought down 22,000-tons aircraft carrier. "Made the most successful patrol by tonnage to date". It was de-commissioned on October 27th, 1945.

The same ship that had gone down in horrible defeat, rose again. No matter how badly damaged your past, you might have been smashed and horribly wounded, notwithstanding you can be recovered, repaired, renamed and re-commissioned. You can arise from your sinking past. Your life can be refurbished and become so glorious that the wounds and damages of your past will be a point of praise, after the order of Joseph - "But as for you, you meant evil against me; but God meant it for good, in order to bring it about as

## TESTIMONIES - PRAISE REPORT

***"And they overcame him by the blood of the Lamb, and by the word of their testimony, ...."***  
(Rev. 12:11).

### MIRACLE BABY:

Thanks be to God for the grace to conceive and bring forth a child after several years of waiting and trusting God. I have been ridiculed and mocked, labeled as barren, an old woman who cannot be fruitful. I am thankful to God Almighty, Who had shown me mercy. I conceived naturally regardless of medical impossibilities. During my pregnancy, the baby in my womb was pronounced unhealthy and so was I. The Lord annulled the evil report and everything turned out to be good for me and my baby. Thank God I had safe delivery. I am doing very well and my baby is growing exceeding well. My husband and I appreciate God Almighty, Who proved Himself glorious and favored us with a child. Praise God!

***D. L. - Brampton, Ontario***

### ESCAPE DEATH:

Praise be to God, Who rescued me from the pit of death. I had a fatal accident and was taken by ambulance to the hospital. On the way to the hospital, my heart ceased, but was restored back to life. I was admitted in the hospital for two months and thereafter continued as an out patient for many weeks. Today, by the grace of God, I am whole, in Jesus' name. I appreciate the gift of life and the joy of salvation.

Praise God!

***A. O. - Toronto, Ontario***

### HUSBAND'S SALVATION AFTER 25 YEARS:

I am grateful to God for the grace to trust him for my husband to come to accept Jesus as Savior and Lord. After I got born-again, I was persecuted mostly by my husband and he refused to go to Church with me. It was a big struggle to persuade him to see the light of the Gospel. I am grateful to God today that my husband is born again today and baptized after twenty-five years of staggering faith. He is now more than before a loving and cheerful husband.

***M. O. - Pickering, Ontario***

### PASSOVER CAMP MEETING HEALING:

I rejoice in the LORD, Who had compassion on me to heal me. I have been diagnosed with an ailment that I thought will be part of my life forever. I'm thankful to God that I attended the Church Passover Camp Meeting for the first time and I felt divine touch. My next appointment with my Doctor confirmed a miracle had taken place. My Doctor asked me "what have you been doing to yourself?" I wondered what he meant. He ran me through series of

tests and it was very clear, a miracle had taken place. The LORD of the Passover had caused sickness, disease and death to passover me. I am much healthier than before. Praise God!

***C. S. - Toronto***

### TITHE REWARD:

I was an ardent opposer to tithe payment, 10% of what you earn. I put on every argument against it and persuade others not to tithe, until the Lord touched my heart and told me - "Prove me with your tithe". I became more rebellious and came up with every excuse never to tithe. I woke up one day and was determined to tithe. My initial reward was not money but peace and joy of obedient. My family and I are united and peaceful. I have since then enjoyed career favor. I am now an advocate of tithe payment. I strongly encourage people to tithe no matter what. To disobey is dangerous and deadly, but to obey is peace, joy and prosperity.

***W. D. O. - Oshawa, Ontario***

### YOUTH CAMP TRANSFORMATION:

I was glad with the decision I made to send my child to the Above All Christian Gathering Summer Youth Camp. I had trouble raising my child. He doesn't like attending classes and brings home negative reports always from school. This last summer, I sent him to the Church Youth Camp and he came back transformed in the Holy Spirit. His school work is going very well, he is scoring high and I'm getting good reports about his behavior at school. He is willing to attend Church and growing well in faith. I can't wait for another Youth Camp.

Praise God!

***O. A. - Etobicoke, Ontario***

### TRIP TO ISRAEL:

I am very grateful to God that my wife and I made a wise decision to take a trip to Israel organized by Above All Christian Gathering. As we were preparing for the trip, I sensed a transformation was about to take place that will empower me for a better future. The miracle began when I woke up the second day in Israel, supernatural joy filled my heart and ever since I came back everybody noticed that I became less aggressive and I became more loving, full of compassion. I thought this will last for only a few weeks, but few months have passed and I'm getting deeper in love and clarity in my walk with God. What an awesome trip. I can't wait for another trip soon.

# PROPHETIC WORDS FOR YEAR 2016

## "MY YEAR OF DIVINE INTERVENTION"

"There is no one like the God of Jeshurun, Who rides the heavens to help you, And in His excellency on the clouds." (Deut. 33:26)

- It is a Year of Divine Intervention to correct historic mistakes.
  - It is the Year of "come and behold" the goodness of God (Psa. 46:8; 66:5).
  - It is the Year of Divine Verdict on encompassing attackers.
  - Let the "Jonah generation" awake, repent and be restored to compassion for the lost.
  - In this age of redefining virtually everything, do not lose your divine identity - don't trade it with anything because of its unfading eternal value.
  - "Be careful of Samson's error. Your life and calling are very precious, therefore, don't make riddle with your life." "And she said, "The Philistines are upon you, Samson!" So he awoke from his sleep, and said, "I will go out as before, at other times, and shake myself free!" But he did not know that the LORD had departed from him", Judges 16:20).
  - This year the LORD will uphold those people with "staggering faith" and raise up those who are bowed down and reproached (Psa. 145:14).
- Global Scene:
- The Middle East is still the boiling cauldron, heated to awake the rest of the world (Eze. 11).
  - Watch out for global shaking and surprises in political, religious, economic and stirring up of nature - air, water, fire, etc.
  - "Israel is "the apple of my eyes", says the LORD. I will preserve his inheritance and defend mine people."

it is this day, to save many people alive" (Gen. 50:20). Just as Squalus was raised up again, re-conditioned and repaired, you also can be free from the hurts of your past. Re-condition your mind by not allowing negative imaginations and bitter thoughts to rule your mind. Damages caused by your past need repair, if you must build a glorious future, the Word of God is the most active means of achieving the promising and fulfilling future. "How can a young man cleanse his way? By taking heed according to Your word. Uphold me according to Your word, that I may live; And do not let me be ashamed of my hope." (Psa. 119:9; 116). The submarine was renamed, from Squalus to Sailfish. The past had put a label of failure on you, but it can change. You can disconnect yourself from evil identity and move from failure to success, defeat to victory, and sadness to joy.

**So, arise from your bitter past to a better today and brilliant tomorrow.**

Sailfish won many awards: Presidential Unit Citation formerly called "the Distinguished Unit Citation" - an award for extraordinary heroism . From a maiden failure to heroic honor. I can't imagine the negative comments when the submarine smashed and failed. While many people considered it hopeless, she proved them wrong. When you also humble yourself as clay before God, Who is the Potter, He can refurbish and re-launch you. Being renewed from your ruined past is an awesomeness of a determined mind

ready for a better tomorrow. Abijah, the son of Rehoboam was the King of Judah who inherited failure, defeat and loss. His father lost the Kingdom to Jeroboam who had been the servant of King Solomon, his father. How frustrating to see the servant of your father who had served you while growing up, arise to take over your inheritance and war continuously with you. Rehoboam fought hard, but never recovered the lost cities. His son, Abijah grew up under the oppression, disconnected himself from inherited failure and gained dominion over the power that afflicted his father. He prevailed because he "relied upon the LORD GOD" (2 Chr. 13:18). Inherited failure should not be an excuse from attaining greatness. "So Jeroboam did not recover strength again in the days of Abijah; and the LORD struck him, and he died" (2 Chr. 13:20). Now is the time for you also to confront your past failures and bring down the strongman that limits your advancement. Your tomorrow can bring great joy rather than allowing the defeat, hurts, offenses and unforgiveness to ruin your better tomorrow. So, arise from your bitter past to a better today and brilliant tomorrow.
