A jubilee celebration, fifty years to commemorate the 1967 six day war, wherein Jerusalem was captured and Israel gained control of Golan Heights - a hilly and elevated area, overlooking the Jordan Rift Valley which contains the sea of Galilee and the Jordan River.

Implications: Its the taken over year for Israel. The encompassing attackers of Israel shall turn against one another, while the revelation of the Most High shall take over the hearts of the people.

"And the waters receded continually from the earth. At the end of the hundred and fifty days the waters decreased" (Gen. 8:3).

150 days of prevailing flood. As the wind of the Holy Spirit passed over, the floodwaters subsided. After 150 days, the floodwaters receded.

"Then the ark rested in the seventh month, the seventeenth day of the month, on the mountains of Ararat" (Gen. 8:4) - The seventeenth brought rest.

"The floods have lifted up, O LORD, The floods have lifted up their voice; The floods lift up their waves. The LORD on high is mightier Than the noise of many waters, Than the mighty waves of the sea. Your testimonies are very sure; Holiness adorns Your house, O LORD, forever" (Psa. 93:3-5).
