

## TESTIMONIES - PRAISE REPORT

*"And they overcame him by the blood of the Lamb, and by the word of their testimony, ...." (Rev. 12:11).*

### **FULFILLING MEDICAL CAREER:**

I thank God for my sister who introduced me to Above All Christian Gathering Friday Prayer line. I was given the Prayer Line number in my time of distress when my medical career was going through storms. By the grace of God, I run a medical clinic in South Africa. This clinic has been running well for over 12 years now; until the major companies associated with me cancelled their contracts and withdrew their staff from coming to my clinic. I was devastated. Thanks be to God who always answers prayers. God opened new and greater doors. The clinic is still busy and very prosperous.

### **INTERNATIONAL APPOINTMENT**

I am grateful to God for my banking job in Toronto, during which I climbed the ladder faster than my colleagues. I prayerfully desired to push my career further by applying to the oil rich producing nations. Three of which called me for interviews. Thank God I got the very best. I am truly blessed with this job. Thank You Jesus.

### **FREEDOM FROM GENERATIONAL MARRIAGE CURSE**

Glory be to God on high who has set me free from marital curse deeply rooted in my family. I come from a family that marriage seems abominable. Both my mother and grand-mother never married, but have children. My mother had three daughters from three different men. I am the third girl. Three of us never married, but thanks be to God who turned things around. I had waited on God for this and He never disappointed me. I got engaged to a respectable Godly man and got married to him. My marriage opened doors to my other two sisters, who are now engaged to be married soon. What a wonderful God who, with His mighty hands set us free from generational bondages. Thank You Jesus.

### **FRESH GRADUATE, FRESH OPPORTUNITIES**

I am grateful to God, who in His mercies saw me through my university years. I am exceedingly thankful to God for success and good grades. I had thought that getting a job will be difficult. Praise God who provided a good job the second month after I embarked on job search; even though it was only a six month contract job. I was at first

disappointed, but was encouraged by the Pastor to be thankful. During the third month, God favored me as my boss approached me with another opportunity within the same organisations, for a position that is three steps higher. I applied and went through series of tests and interviews. To the glory of God, I got the position. This is even a full-time position.

What a mighty God I serve. Praise God who has favored me in this new position. I am trusting God for the best, in Jesus' name.

### **BUSINESS GROWTH**

Thank God for the 21-Days of Prophetic Prayers at the beginning of every year. During this program in year 2012, I dedicated a business proposal to God. I trusted that my Almighty Father will breathe upon me and bless the work. To the glory of God, I rededicated the business to God during the year 2013, 21-Days of Prophetic Praying and it prospered well. I seem to get the secret now; I can't wait to do the same in the year 2014, 21-Days of Prophetic Prayers and hope for the best.

### **CLIMBING THE LADDER OF GREATNESS**

It was a blessed day for me to attend the "Arise and Shine" –monthly deliverance program at Above All Christian Gathering, in the month of April. The Pastor prophesied upon me saying, "You are climbing the ladder of prosperity faster than you think". I know in my spirit that the miracle had begun and I was thankful to God. Two weeks after, I was encouraged by a colleague to apply as a manager in another department, though my manager was not too pleased. As I prayed I believed that God had opened that position for me. I applied, thereafter was called for interview among others – external and internal. By the grace of God I got the position. The amazing thing about this position is that I am privilege to attend management meetings. I sit together with my former manager and discourse as colleagues. What an elevation of destiny. I sincerely believe that God has not finished with me yet. What a wonderful Savior.

### **SPIRITUAL GROWTH**

I was moved in my spirit when the Pastor preached on "Spiritual Maturity". I made a commitment to grow. I must confess that I struggled and stumbled, but God lifted me up. Today, I can say that "I am a living testimony of God's goodness". I am at peace with God and men. More importantly I am heavenly bound.
